

### 3790 Department of Parks and Recreation

The mission of the California Department of Parks and Recreation (Parks) is to provide for the health, inspiration, and education of the people of California by helping to preserve the state's extraordinary biological diversity, protecting its most valued natural, cultural and historical resources, and creating opportunities for high-quality outdoor recreation for current and future generations to enjoy. With increased urbanization, the establishment of park units and recreation areas accessible to the major population centers of the state has become particularly important. Specific activities include: stewardship of natural resources, historic, cultural and archeological sites, and artifacts and structures; provision of interpretive services for park visitors; construction and maintenance of campsites, trails, visitor centers, museums, and infrastructure such as roads and water systems; and creation of recreational opportunities such as hiking, bicycling, fishing, swimming, horseback riding, jogging, camping, picnicking, and off-highway vehicle recreation. In addition, the Division of Boating and Waterways funds, plans, and develops boating facilities on waterways throughout California and ensures safe boating for the public by providing financial aid and training to local law enforcement agencies.

Because Parks' programs drive a need for infrastructure investment, Parks has a capital outlay program to support this need. For the specifics on Parks' capital outlay program see "Infrastructure Overview."

### MAJOR PROGRAM CHANGES

- Outdoor Education—The Budget includes \$43.1 million (\$40 million one-time General Fund and \$3.1 million Environmental License Plate Fund) for outdoor environmental education and access programs through the Outdoor Equity Grants Program under Chapter 675, Statutes of 2019 (AB 209) to enable underserved and at-risk populations to participate in outdoor environmental education experiences at state parks.
- Statewide Park Development and Community Revitalization Program—The Budget includes \$180 million one-time General Fund to invest in establishing and revitalizing community open spaces. These grants fund new parks, the beautification of existing parks, and recreation opportunities in underserved communities across the state. \$25 million of the funds available for this program have been set-aside for the India Basin project.
- Innovative Pilot Programs—The Budget includes \$9.1 million one-time General Fund to launch a State Parks pilot to expand parks pass distribution, especially for youth in disadvantaged communities. The pilot would include a "California State Park Adventure" program for fourth graders and new statewide partnerships with the California State Library and California Department of Social Services.
- Priority Acquisitions—The Budget includes \$6.3 million one-time General Fund and \$6.3 million one-time federal reimbursements to complete high-priority inholding acquisitions, which will increase access to existing state parks and add additional acres to the state park system.
- Community Engagement—The Budget includes \$585,000 ongoing State Park and Recreation Fund to continue community liaison programs that engage underserved and underrepresented communities in urban areas.
- Wildfire Restoration—The Budget includes \$217 million (\$113.5 million General Fund, \$103.5 million Reimbursements) for fire restoration projects in the 115,000 acres burned across 23 state park units by multiple fires in the unprecedented 2020 wildfire season. The Budget also includes \$10 million one-time General Fund and \$23.4 million one-time reimbursements from Federal Emergency Management Agency funds for the continuation of Woolsey Fire restoration projects to restore destroyed facilities and trails.
- Deferred Maintenance—The Budget includes \$185 million one-time General Fund to support critical deferred maintenance projects throughout the state park system to enable improved access and an enhanced visitor experience.
- Indian Heritage Center—The Budget includes \$95.3 million one-time General Fund for transfer to the Natural Resources and Parks Preservation Fund for the California Indian Heritage Center. This proposal restores the original set-aside for the project enabling the Department of Parks and Recreation to construct a new museum to protect and preserve the history of California's native peoples.
- Candlestick Point State Recreation Area—The Budget includes \$2.7 million one-time Proposition 68 bond funds to provide for the design of the initial core improvements to further public access and recreation enhancements at Candlestick Point State Recreation Area.
